

**Huntington Union Free School District
Huntington, New York**

2017-2018 BOARD OF EDUCATION/DISTRICT GOALS

1. Adopt/adapt curricular and instructional measures (aligned with new state/local standards in the core disciplines) that will promote continued progress in overall student, building and subgroup academic performance, including graduation rates at the high school, with a focus on closing subgroup achievement gaps.
2. Facilitate provision of authentic and differentiated learning experiences in classrooms at all levels.
3. Maintain/expand upon STEM/STEAM opportunities and social/emotional learning experiences at all grade levels.
4. Continue to implement a fiscally responsible and transparent budget process given the economic constraints and conditions resulting from the tax levy limit; maximize efficiencies while maintaining the integrity of programs and services offered at all HUFSD schools.
5. Prepare a multi-year fiscal plan in alignment with the District's multi-year capital plan that includes expenditures for major facility improvements and upgrades (e.g., building roofs).
6. Further determine and evaluate strategies to maximize effective use of all district facilities, including those resulting from the investigation of energy/cost-saving initiatives.
7. Further engage in technological infrastructure/hardware/application upgrades that prepare students for future academic and professional experiences, as well as enhance district communications.
8. Maximize home-school communication and further increase parent engagement throughout the school community.
9. Maintain successful recruiting, hiring and retention practices supporting a highly qualified staff, upholding consideration toward its reflection of the district's culturally diverse population, that collectively helps students to reach their academic and personal potential.
10. Maintain ongoing communication with and professional development of the District's universal pre-kindergarten providers; maximize articulation between providers and district staff.
11. Support the Superintendent and administration with respect to advocacy for the educational needs of Huntington students through the organizations and associations within which they occupy leadership roles.
12. Work with food-service provider to evaluate and improve the district's food service program in terms of student appeal, health-conscious and local farm-to-table options.
13. Maintain communication with town, county, state and federal government officials in an effort to ensure that district interests are considered and addressed as initiatives are planned and/or implemented at the respective governmental levels.
