

SHARED DECISION MAKING COMMITTEE

2017-2018 School Based Team Goals

List each goal on a separate form

SMART Goal:

To create new engagement opportunities for students in order to increase social learning experiences.

Action Plan:

1. Creation of clubs for children to join (e.g. Lego Club, Garden Club, etc...).
2. Offer intramurals before school for grades 3 and 4.
3. Construction of a "Peaceful Garden" space outside.
4. Offer activities like "Bowling Night" and "Cocoa House" to offer ways for children to interact and engage together.
5. Create makerspace/tinker boxes for indoor recess use to encourage cooperative, student-driven play.

Assessment:

Review the impact of created opportunities quarterly to assess impact on meeting the goal.
