

SHARED DECISION MAKING COMMITTEE

2017-2018 School Based Team Goals

List each goal on a separate form

SMART Goal: To explore and create STEM/STEAM opportunities for students at Southdown.

Phase 1

To explore K-3rd Grade STEM/STEAM opportunities for students to utilize during recess and integrating into classroom instruction.

Phase 2

Create and implement a Maker Space for students to utilize throughout the school day.

Action Plan:

1. Observe other districts already implementing
2. Visit and observe STEM at JAS
3. Send specific teachers to conferences
 - a. Research what funding is available
 - b. Communicate with Donna Moro/Beth McCoy to find conferences in the area
4. Create a financial plan to fund implementation.

Assessment:

Through debriefing at SDM meetings, members will discuss observations in other districts and at JAS.

Review of conference materials.

Assessment of available funds through grants or building allocations.

Phase 2

Analyze behavior reports to assess if students have benefitted from having a Maker Space in the building.
