RE: Professional Development Activity Dates for Spring 2018

Below, please find the professional development calendar for Spring 2018. The calendar has dates for activities that **MUST** be attended by the grade level and/or department Faculty specified. We are providing you with these dates as required so that you may plan your personal calendar accordingly.

ATH members must complete up to 13-hours for tenured faculty, and 21-hours for non-tenured faculty of professional development activities. Since your attendance is required for the activities listed below, it is suggested that you speak with your supervisor to develop and determine your professional learning plan for the 2017/18 school year. You will be able to register for these required activities through MyLearningPlan.com. Each of the activities below will run for approximately 2-hours each.

For all teachers in grades 7-12, there is a separate chart at the bottom of this document for Teacher Connect (eSchool) training. Each session will be two hours in length to prepare us for the transition from gradebook to Teacher Connect for quarter 4 of the 2017-2018 school year.
