## **GENERAL INFORMATION**

### **SCHOOL HOURS**

School starts at 8:45 a.m. and ends at 3:05 p.m. To ensure safety, we request that no students be on school grounds prior to 8:30 a.m. unless requested to attend an activity or extra help.

### **ATTENDANCE INFORMATION**

If your child is not going to be in school must call **673-2039** to report an absence or lateness before 8:45 a.m. Students must bring an absence note upon their return. All students must be in class by 8:45am.

### **STUDENT LATENESS TO SCHOOL**

Any student who arrives late to school must sign in at the Main Desk and receive a pass to class.

Arriving late disrupts the learning going on in the class, and not only do you miss valuable information but others will as well.

### **PERSONAL POSSESSIONS**

Do not bring personal items, money, electronics items or valuable jewelry to school. It is important for you to remember that the school cannot assume responsibility for the safekeeping of your books or other personal items should they become lost or stolen

### **CELL PHONES**

Cell phones are permitted prior to and following school hours. If a phone is seen or heard during school hours the student may receive a consequence. Please remember we cannot assume responsibility for the safekeeping of personal items.

### **LOST AND FOUND**

Lost articles of clothing are stored in the cafeteria. Jewelry and smaller items are stored in the main office.

Children should periodically check the lost and found for missing items. After a reasonable time, unclaimed items will be donated to charity.

### **NOTICES TO THE HOME**

It is extremely important to keep the line of communication from the school to the home open by seeing to it that messages are delivered to your parents/guardians. From time to time there will be important information that your parents/guardians must be made aware of. Please see to it that all notices are delivered to your parents promptly. Please update phone numbers and email addresses as important messages are shared through phone and email communication.

### **STUDENT DRESS**

Students are encouraged to dress in a manner appropriate to attending school. Hats are not permitted during the school day. Clothing, distracting to other students, may not be worn. Students with inappropriate clothing will be asked to call home for a change of clothes.

### **VISITORS**

The school building is closed to all unauthorized visitors. Those persons who have business to conduct in the school must state their business, sign the visitor's register, and wear a visitor's pass. In addition, proper identification must be presented.

### **BEFORE/AFTER SCHOOL PROCEDURES**

Students are not to be in the building, or on the school grounds, before or after school unless they are under the supervision of a teacher.

## **CAFETERIA**

The Huntington School District participates in the National School Lunch and Breakfast Program. Breakfast is available to students before school for \$1.65 (price is subject to change prior to September, 2017). A menu is published and sent home each month. The cost of lunch is \$2.50 (price is subject to change prior to September, 2017). Prepaid meal tickets can be purchased from the Cafeteria.

## **OUTDOOR RECESS**

The recess period follows or precedes lunch for approximately 20 minutes each day. Recess will be outdoors whenever weather permits. Please send your child to school with weather appropriate clothing and proper footwear. Students will be kept in or not allowed to use equipment if not dressed appropriately for cold weather or not wearing sneakers. Exercise is crucial to the health of your child, therefore students will not be kept in from recess to make up work without permission from parents.

## **PARENT TEACHER CONFERENCES**

Each November there is time set aside for teachers to discuss the progress of their students with their parents or guardians (see district calendar). During the conference, the first report card will be given. Each child's progress, standardized test scores and special needs are discussed and explained. Parents should attend these conferences to find out how they and the school can work together to help their child succeed. Teachers and teams will always be available upon requests.

## **REPORT CARDS**

There are four report cards given each year. The first report card is given at the November Parent-Teacher Conference. The other three report cards are sent home in January, April and June. Please feel free to contact your child's teacher at any time if there is a problem or question. Do not feel you have to wait for the teacher to contact you or for the report card to ask how your child is progressing. If you would like to meet with all team teachers, please make a request.

## **HOMEWORK**

Please look at your child's agenda book each night.

The faculty of Woodhull is firmly committed to the idea that homework enhances and extends the school learning experience. The purpose of homework is fourfold:

1. To help develop good study skills.
2. To reinforce skills learned each day in school.
3. To provide for extended enrichment beyond the classroom.
4. To establish a daily contact with parents who will be constantly aware of the child's academic work.
5. Tests will be sent home on a regular basis to be signed.

## **PARENT TEACHER ASSOCIATION**

Parent Participation in the life of the school is one of the greatest resources of Woodhull Intermediate School. The Parent Teacher Association serves not only as a representative of parent concerns but also is a partner in establishing a wholesome and positive environment in the school. PTA representatives serve as active and important members of the Shared Decision Making Committee and are vital to the success of our annual Arts in Education and People as Reading Partners programs.

## **STUDENT HEALTH POLICIES**

### **Illness**

If a student does not feel well before leaving for school, they should be kept at home. If a student is in school and not feeling well, the school nurse should be seen. A student will be admitted to the Health Office with a pass from a classroom teacher. A student is not to go to the Health Office between periods, but should report to the next period class and obtain a pass from the teacher. Only in the case of an emergency will a student be admitted without a pass. If you are too ill to remain in school, and must leave school because of illness or injury, the nurse will contact your parent/guardian to pick you up.

### **Injury**

Any injury on the school bus, school grounds, or in the school building must be reported to the nurse as soon as possible. First aid will be administered as needed. Follow-up treatment of such injuries is the responsibility of the parent/guardian. Home injuries are not the responsibility of the school.

### **Medication**

Medication must be brought to school by a parent or guardian, in the original container, accompanied by a written request from the doctor indicating frequency and dosage of the prescribed medication for students who require medication. Doctors' notes are also required for all over-the counter medications. All medication must be left with the school nurse and used under her supervision.

### **Annual Screening**

Annual screening for vision, hearing and scoliosis are completed by the nurse during the school year. The school nurse should be notified immediately about any child's physical ailments.

### **6<sup>th</sup> Grade Immunizations**

NYSDOE requires that all incoming 6<sup>th</sup> grade students have boosters of certain immunizations when they turn 11 years of age. All 6<sup>th</sup> graders must have 2 varicella, 1 TDAP, and possibly a 4<sup>th</sup> polio vaccination this school year 2017-2018. The nurse will notify you, by mail, as to which vaccination your child may need in order to be in compliance with the new State immunization requirements. If you have any questions concerning this matter, please don't hesitate to contact Mrs. Scannello @ 631-673-2147.

## TRANSPORTATION

The safety and welfare of students on school buses is considered to be of utmost importance. Any act by a student or students that endangers the safety and welfare of others is forbidden. Illustrations of the above include smoking, disorderliness, fighting, horseplay or any act that might distract the attention of the bus driver while he or she is driving the vehicle.

Students are reminded that the bus and bus stop are an extension of the school grounds, and all of the rules which are observed at school concerning behavior, respect for property, will be enforced.

Students are expected to behave in a manner which ensures the driver's ability to operate the bus in the safest way. The basic rules to be followed on the bus which are to be posted on each bus, include the following:

The driver, in applying the rules fairly, can issue verbal warnings and assign seats prior to filing a written report. Disciplinary action resulting from the receipt of a written report shall be carried out by the building administrator and reported to transportation as well as to the Assistant Superintendent. Repeated or severe misbehavior may result in the suspension of privileges.

## **CODE OF CONDUCT**

### **PROHIBITED STUDENT CONDUCT**

The following is from the Huntington Union Free School District Code of Conduct adopted in July, 2001.

The Board of Education expects all students to conduct themselves in an appropriate and civil manner, with proper regard for the rights and welfare of other students, district personnel, other members of the school community, and for the care of school facilities including equipment.

The best discipline is self-imposed, and students must learn to assume and accept responsibility for their own behavior, as well as the consequences for their misbehavior. District personnel who interact with students are expected to teach, model, re-teach and reinforce behaviors. Disciplinary action will take place only when necessary and to place emphasis on the student's ability to improve self-discipline.

The board recognized the need to make its expectations for student conduct while on school property or engaged in a school function specific and clear. The rules of conduct listed below are intended to do that and focus on safety and respect for the rights and property of others. Students who do not accept responsibility for their own behavior and who violate these rules will be required to accept the penalties for their conduct.

## **DISCIPLINARY PENALTIES**

The following is from the Huntington Union free School District Code of Conduct adopted in July, 2001.

Discipline is most effective when it deals directly with the problem at the time and place it occurs, and in a way that students are expected to use disciplinary penalties only when necessary and to place emphasis on the students' ability to grow in self-discipline.

Disciplinary action, when necessary, will be firm, fair and consistent, so as to be the most effective in changing student behavior. In determining the appropriate disciplinary action, school personnel authorized to impose disciplinary penalties will consider the following:

1. The student's age.
2. The nature of the offense and the circumstances, which led to the offense.
3. The student's prior disciplinary record.
4. The effectiveness of other forms of discipline.
5. Information from parents, teachers, and/or others as appropriate.
6. Other extenuating circumstances.

As a general rule, discipline will be progressive. This means that a student's first violation will usually merit a lighter penalty than subsequent violations. If the conduct of a student is related to a disability or suspected disability, the student shall be referred to the Committee on Special Education and discipline, if warranted, shall be administered consistent with the separate requirements of this code of conduct for disciplining students with a disability or presumed to have a disability. A student identified as having a disability shall not be disciplined for behavior related to his/her disability.

## **PENALTIES**

Students who are found to have violated the district's code of conduct may be subject to the following penalties, either alone or in combination. The school personnel identified after each penalty stated below are authorized to impose the penalty, consistent with the student's right to due process.

1. Verbal Warning-bus drivers or any member of the district staff.
2. Written warning-bus drivers or any member of the district staff.
3. Written notification to parent-bus driver, coaches, advisors, guidance counselors, teachers, principal, superintendent.

Students will work quietly in the in-school suspension room and complete their work for the day.
