COMMUNICATIONS AND ANNOUNCEMENTS

Mr. Dwyer reported on conversations he had with Frank Petrone, Town Supervisor, Susan Berland, Councilwoman, and Mark Cuthbertson, Councilman, regarding the imminent approval of new zoning for the proposed Avalon Bay Project. Mr. Dwyer had some concerns over the proposed new zoning and asked that the zoning not be rushed through and that people be given a chance to understand it. He reported that this item which was on the Town Board's agenda for July 6, 2010 had been removed from the agenda. Mr. Dwyer wanted all to be aware of this.

Mrs. Rogan discussed concerns she heard that our board meeting was the same night as the Town's board meeting. She indicated our meeting was planned well ahead and in no way meant to conflict with the Town meeting. She also explained that the district has a mandate to have the

Reorganization Meeting within a certain time frame. Mr. Finello explained the time frame. Mrs. Rogan wanted people to be aware of this.

Mrs. Brown congratulated the graduates of the Class of 2010 and remarked that Administration should do something about people attending the graduation ceremony who come late and stand right in front of guests who arrived before the start of the ceremony. Mrs. Bené commented that there were people smoking under the bleachers.

PUBLIC COMMENTARY

Comments were made about Avalon Bay and rezoning around the Huntington train station. Concerns were expressed about not having a Director of Science, Math and IT. A parent read a portion of a letter she wrote to Mr. Finello regarding safety around Jack Abrams School.

ITEMS FOR DISCUSSION/ACTION

Long Range Facilities Planning Committee Report

Roger Smith, our architect from Burton Behrendt Smith, reported on the discussions the Committee has had. He presented diagrams of the existing property and various options for the location of the modular classrooms. He discussed putting an addition onto Woodhull School. He also discussed Phase 1 which is the first addition on Woodhull School and Phase 2 which could be an option down the road. Discussion about the cost followed and Mr. Grackin explained that \$2,000,000 in the capital reserve could be used for this purpose. Mr. Grackin distributed the text of a Capital Reserve Proposition that would fund Phase 1. He also explained that a referendum would have to take place so that the voters could approve this expenditure.

A MOTION was made by Mrs. Rogan and seconded by Mr. McGrath to approve the following Resolution:

Capital Reserve Proposition

RESOLVED that the Board of Education be authorized to expend from the Building Improvement Fund, established by the voters of the district at the annual district meeting held May 20, 2008 an amount not to exceed \$2,000,000 for renovations, reconstruction and addition at Woodhull Intermediate School.

MOTION carried.

Mr. Grackin then discussed the timing of the vote. He explained the earliest date for the vote would be Tuesday, August 24, 2010.

A MOTION was made by Mr. McGrath and seconded by Mrs. Brown to have a referendum to vote on the Capital Reserve Proposition just approved at Huntington High School on August 24, 2010 between the hours of 6 a.m. and 9 p.m.

MOTION carried.

Strategic Protection Security

Mr. Grackin reported on a meeting he had with Mike Zotto of Strategic Protection Security. This was the firm referred to the district by Mrs. Black.

Board of Education Advisory Committees

Mrs. Brown indicated that she would like to see a Facilities Committee that would report twice annually to the Board of Education. She also recommended a Policy Committee that would update and create policy. Mrs. Bené indicated she would like to see a Curriculum Committee formed. Discussion followed.

School Name Change

Mr. Finello indicated that for reporting purposes to the New York State Education Department the district should make a name change for Jack Abrams Intermediate School. Dr. Card elaborated that having the word “intermediate” in the name connotes a false impression when making comparisons to other schools. It implies that there is more than one grade and that is incorrect. Dr. Card recommended a change in the school name.

A MOTION was made by Mrs. Rogan and seconded by Mr. McGrath to change the name of Jack Abrams Intermediate School to Jack Abrams School.

MOTION carried.

Adoption of K-5 Curriculum Guides

Dr. Card thanked the building principals and staff for contributing to this effort and he explained the importance of these guides to parents. He explained that this had been a goal of the Office of Curriculum and Instruction and much work went into it. They reflect the New York State Standards and are based on the Standards.

A MOTION was made by Mrs. Bené and seconded by Mrs. Rogan to adopt the K-5 Curriculum Guides.

MOTION carried.

Adoption of K-6 Core Reading Textbook Program

A MOTION was made by Mrs. Bené and seconded by Mrs. Brown to adopt the K-6 Core Reading Textbook Program.

MOTION carried.

High School Course Name Change

A MOTION was made by Mrs. Rogan and seconded by Mrs. Bené to change the “Environmental Chemistry” course name to “Environmental Science.”

MOTION carried.

CURRICULUM AND INSTRUCTION

A MOTION was made by Mrs. Brown and seconded by Mrs. Rogan to authorize administration to arrange for the provision of appropriate special education programs and services for students as enumerated in the CSE and CPSE minutes:
